

Proposed Algorithm of Human Rights Clinic

Medical Director receives request for evaluation

Documenting attending physicians residents, Clinic Directors, and PHR at UMMSM are notified of pending evaluation

PHR at UMMSM will schedule a clinic day and will identify student, resident, and attending who will be participating & notify/schedule all these people.

PHR at UMMSM notifies Medical Director and Clinic Directors which persons will be involved with evaluation

PHR at UMMSM notifies legal representative the date of evaluation, time, location, etc.

PHR at UMMSM notifies CRB/location of clinic of date and time for evaluation

Attending physician/resident/student evaluate patient on scheduled date

Medical affidavit is drafted by student/resident and sent to attending physician for review

Attending physician finalizes affidavit and sends to legal representative and Clinic Directors

Attending physician sends brief written summary of case and findings to Medical Director, Clinic Directors, and PHR at UMMSM
